Andrew Breitbart died a year latter. Allegedly died of a heart attack. It may have government who killed because strangely the coroner who said Breitbart died of heart attack died from arsenic poisoning two months later.

Also there is some possible proof John and Tony Podesta were in Portigul on May 3, 2007; the day McCann was kidnapped.

Police in Suffolk have confirmed the now-known Pedophile, Clement Freud, was of the country when Madeleine was abducted. However, his home had been known to friends of his- [John and Tony Podesta](#).

## Police Sketch

Here is a police sketch of Madeleine's abductors:

Do these guys look familiar at all?

Clement Freud was a British Politician. He was in Portugal around the time Madeline McCann was kidnapped in 2007. After Madeline went missing; Freud invited McCann's parents to his vacation house. After Freud died; it came out that Freud had sexually abused underage girls.

Freud's holiday villa is not too far away from the place where Madeline McCann was kidnapped.

Did Freud have something to do with this? It may be possible. However no proof for this so far.

An FBI Insider claimed the Podesta brothers were in Portugal on May 3, 2007.

## Confirmed FBI Anon Information

One of our FBI insiders can confirmed the Intelligence community indicates John and Tony Podesta were in Praia da Luz, Portugal on May 3rd 2007– the day Madaline McCann vanished.

The Podesta brothers were staying with a friend named "Clem" . Clement Freud, the grandson of psychopathology sex expert Dr. Sigmund Freud, who was known to be a pedophile. This is a quote from our insider: *"Of greater interest is that fact that Freud owned a villa in Praia da Luz."*

So the Podesta brothers were staying at a vacation house of a pedophile on May 3, 2007 according to Anonymous' FBI insider.

This may explain why police sketches of McCann's kidnappers look like John and Tony Podesta.

They Look at a like if you look closely.

This is a smoking gun in the Pizza Gate scandal. Inshallah it will expose the bigger pedophile rings of the global elites world wide.
